Who We Are

The Huron County Board of Mental Health and Addiction Services (MHAS) is a public body made up of volunteer Board members. The primary role of MHAS is to monitor, evaluate, assess, prioritize and plan for mental health and addiction services throughout our county.

Mission

Ensure access to mental health and addiction services and resources for prevention, treatment, and recovery supports while educating and advocating for all community members.

Goals & Objectives

- Increase public awareness and education related to Board funded services and behavioral health
- Increase prevention services capacity and availability
- Increase funding to address identified needs
- Increase recovery supports
- Increase and improve access to services and supports
- Improve Board functionality
- Improve behavioral health workforce attraction and retention
